Charlotte Gray makes Canada's history come alive and challenges us to envision the country we want to live in.

A Short History Of Indians In Canada-Thomas King 2012-05-15 Acclaimed author Thomas King is in fabulous, fantastical form in this bestselling short story collection. From the surreal migrations of the title story to the misadventures of Coyote in the modern world and the chaos of a baby's unexpected arrival by airmail, King's tales are deft, hilarious and provocative. A National Post and Quill & Quire bestseller, and an Amazon.ca Top Pick for 2005, A Short History of Indians in Canada is a comic tour de force. A History of Dentistry in Canada-Donald W. Gullett 1971-12-15 Beginning with the earliest records available describing the dental health of the Indians before the arrival of European settlers, Dr Gullett gives a detailed and carefully documented history of dentistry in Canada. He describes the uncannily prescient trump dentists who rounded the countrywide years ago as well as their respectable contemporaries, and he traces the development of practice, education, and professional associations, as dentistry developed from an art to a science. The author spent five years gathering information for this book from public archives, libraries, personal interviews, and the records of the profession. The result is a lively and readable story told with a continuing concern for health services. Canada's Odyssey-Peter H. Russell 2017-05-08 150 years after Confederation, Canada is known around the world for its social diversity and its commitment to multiculturalism. But the road to contemporary Canada is a winding one, a story of division and conflict as well as union and accommodation. In Canada's Odyssey, renowned scholar Peter H. Russell provides an expansive, accessible account of Canadian history from the pre-Confederation period to the present day. By focusing on what he calls the "three pillars" of English Canada, French Canada, and Aboriginal Canada, Russell advances an important view of our country as one First Nations an ongoing journey, not a destination. Drawing on history, politics, and literature, this Very Short Introduction starts at the end of the last ice age, when the melting of the ice sheets opened the northern half of North America to Indigenous peoples, and covers up to today's anthropogenic climate change, and Canada's climate politics. Donald Wright emphasizes Canada's complexity and diversity as well as its different identities and its commitment to rights, and explores its historical relationship to Great Britain, and its ongoing relationship with the United States. Finally, he examines Canada's northern realities and its northern identities. ABOUT THE SERIES: The Very Short Introductions series from Oxford University Press contains hundreds of titles in almost every subject area. These pocket-sized books are all in short, entertaining form, yet they are serious, sophisticated, accessible introductions to the key ideas in major study areas. A Concise History of Canada's First Nations-Andrew Archer 1884 Canada. It also covers a broad time-span, from early contact between European settlers and First Nations through the end of the twentieth century. Acclaimed author Thomas King is in fabulous, fantastical form in this bestselling short story collection. From the surreal migrations of the title story to the misadventures of Coyote in the modern world and the chaos of a baby's unexpected arrival by airmail, King's tales are deft, hilarious and provocative. A National Post and Quill & Quire bestseller, and an Amazon.ca Top Pick for 2005, A Short History of Indians in Canada is a comic tour de force.
